Heartsaver classroom courses are instructor led, video based programs that feature group interaction with hands-on coaching and feedback from an American Heart Association instructor. This course teaches skills using the American Heart Association's research-proven practice-while-watching technique, which allows the instructor to observe students, provide feedback, and guide students' learning of skills.

3 Ways to Boost Your Retirement Income

April 6th 7-8pm **FREE TO ATTEND** All ages welcome

Register by March 30, 2020

Most people in their 50's and 60's have a big question to answer: How much income will I have through retirement, and will it be enough? This course will help you answer a variety of retirement questions, including topics like social security, investing, and how to decrease your taxes in retirement. We'll help answer questions like:

- How much retirement income will I need?
- How can I best maximize my Social Security benefit?
- What tax savings strategies are available leading up to, and during retirement?
- What investing principles during retirement should I follow?

Call BOCES at 307-877-6958 or visit kemmereroutreach.com to register.

APRIL ED2GO Classes

ED2GO Non-Credit Classes:

Update your skills, discover a new talent, or chart a new career path at your own pace and at your convenience! Our instructor-facilitated online courses are informative, fun, convenient and highly interactive. All courses run for six weeks (with a two-week grace period at the end). Courses are project oriented and include lessons, quizzes, hands-on assignments, discussion areas, supplementary links and more.

How to Get Started:

1. Visit our Online Instruction Center at: www.ed2go.com/kemmoutreach
2. Click the Orientation link and follow the instructions to enroll and pay for your course. You will also be provided an opportunity to choose the name and password you will use to access your online course. This step is critical! You cannot access your course until you complete orientation.
3. When your course starts, return to our Online Instruction Center and click the Classroom link. To begin your studies, simply log in with the name and password you provided during orientation.

Featured Ed2Go Class:

Secrets of Better Photography

Secrets of Better Photography will teach you how to take outstanding photos. Whether you use a DSLR, a point-and-shoot camera, or your phone for your photography, you will learn how to get the best results from your camera.

This hands-on course will teach you how to choose the right photographic equipment to compose images with style. You can take your camera out of auto mode after learning about lighting, motion, aperture, shutter speed, and ISO settings. You will also explore common photography topics, including portraiture, children's photography, pet photography, and digital editing.

IN THE COMMUNITY

Oyster Ridge BOCES is no longer opening the computer lab at Kemmerer Junior Senior High School in the evenings. From this point forward, Oyster Ridge BOCES would like to encourage our students to utilize the computer lab at the BOCES office from 8:00am to 5:00pm, or the free computer use at the Lincoln County Library (Mon-Wed 10:00am-8:00pm, Thurs-Fri 10:00am-6:00om, and Sat 10:00am-2:00pm).
