## March ED2GO Classes

### ED2GO Non-Credit Classes:

Update your skills, discover a new talent, or chart a new career path at your own pace and at your convenience! Our instructor-facilitated online courses are informative, fun, convenient and highly interactive. All courses run for six weeks (with a two-week grace period at the end). Courses are project oriented and include lessons, quizzes, hands-on assignments, discussion areas, supplementary links and more.

### How to Get Started:

1. Visit our Online Instruction Center at: [www.ed2go.com/kemmoutreach](http://www.ed2go.com/kemmoutreach)
2. Click the Orientation link and follow the instructions to enroll and pay for your course. You will also be provided an opportunity to choose the name and password you will use to access your online course. This step is critical! You cannot access your course until you complete orientation.
3. When your course starts, return to our Online Instruction Center and click the Classroom link. To begin your studies, simply log in with the name and password you provided during orientation.

### Featured Ed2Go Class:

#### Individual Excellence

Personal development is key to success in and out of the workplace. You can develop career-enhancing skills in a single course that covers twelve popular one-day seminar topics, including goal setting, time management, and personal organization. You will learn how to improve your creative abilities, gain confidence with financial matters, and how to minimize conflict in your life. By the time you finish this course, you will have developed a fulfilling career plan and will hold the skills to improve your interpersonal relationships.
