## What is Oyster Ridge BOCES?

The Oyster Ridge BOCES (Board of Cooperative Educational Services) is dedicated to providing the community with opportunities for continuing education and enrichment in the following areas: vocational, technical and professional education, broadly based education in the Arts, Sciences and Humanities for degree seeking and non-degree seeking students, personal growth, recreation and leisure, along with mental and physical fitness.

It is the goal of Oyster Ridge BOCES to be seen as a community hub for personal growth. We accomplish this by offering a variety of classes each month to the public. For a nominal fee, community members can participate in a variety of onsite classes. We have wonderful people in our community who have vast interests and talents who are willing to share these gifts with the community. The Oyster Ridge BOCES is always looking for individuals who would like to teach their interests and talents to others. Please call us if you are interested. Also, please let us know if there is a particular class you would like to take or just some ideas you may have.
